1. I the Lord God want to come and heal this nation. I want to come and heal this nation. America has served Me and served Me well in, at times and seasons, dispensations, but drifted, drifted, and many hold values not of Me in leadership, leadership, leadership which handle laws and govern nations. I love you. I come and I compare and I contrast and I compete not with your system, I reveal Me.
2. I am revealing Me and the light now which comes forth shines ever brighter, winnowing that which is for Me and that which is far from Me. I love you. My fork winnows and the horses whinny. I love you. Beleaguered by nations other than your own, America, My prize, reprise not. Reprise not. Lift and listen and I will come and I will obey the voice of My word which I have commanded and issued before—My word proclaimed going forth into all nations from this nation, from all nations, into every nation, from every nation, through every nation, tribe and tongue. I love you. I give you Me.
3. Now withhold not My tongue from you, let My tongue be repressed not. My tongue comes forth, My tongue speaks, speaks My tongue; speak My tongue.
4. Release your tongue to be My tongue and speak My words and prophetic be, normal be. **The normal Me** which is so supernatural, supernatural to you, natural to Me, normal, guided by My hand you will be. Let Me. Be willing to fail. Step out, restrain not, order of only Me. I love you and I come and I call I confirm.
5. Beleaguered not are those, you, who step out in Me saying I am, I will, I be, I Am—I will no more be restrained by the thoughts of man—I will no longer be constrained, I will no longer be dictated by the doctrines, dogmas, manipulative ideals which have been conjured up from graves dead many years, centuries ago. I love you. I love you.
6. I come and I cry in the wilderness, I cry in the city, I cry in the highway, I cry in the offices, I cry in the commercial gates and enterprises, the city halls, the parliaments, the governmental houses. I cry in the homes which leave Me out. Gutter-less the wanderers roam and many find refuge in gutters only.
7. I love you My who are in gutters—I gave My life for you. I come and I call. I call you to arise. I call you to arise to commercial magnates of only Me, who know My values, bend to My Cross, into My Cross live, into Me and the value system which I displayed and I replay and I speak every day—My Me before you, revealed in My creation before your eyes, in splendor and beauty in each other, science of only Me, technology which displays My hand, My fabric, My body. I love you and I give you Me.
8. Come to Me please and let Me hold you. Let Me hold you, please let Me hold you. Please let Me hold you, please let Me put My arms around you. Please let Me touch

your hair. Please let Me look into your eyes for I will look into your eyes wide open, I will not shut you out.

9. I will not shut My eyes when you come close to Me. (crying) I will look at you and My light will shine upon you—My light which is life and My life which is light.

10. I will come and I will lift, I will lift you out of gutters. I will lift you out of lack. I will lift you into Me and there is no lack in Me. There are no gutters in Me. There are no wanderers. Steeds strong; the people come (1), mighty, mighty, and nations revel in My power who let Me, beleaguered not. I love you. I love you. I love you. I love you. I love you. I give you Me.

11. Now go enjoy the day, enjoy the land, My son, My son, My son; My son in whom I am well pleased, (crying) My son in whom I am well pleased to take Me and My voice and share with so many who are under despotic rulers, religious, and even in My name. I love you. Let them know they are My sons. Let them know they are My sons, My sons, My son, My son, My son, My sons, My daughters, My girls, My women, My ladies, My queens, My craftsmanship. I love you.

12. I lift you this day, and so many of you I am so pleased, I am so pleased to tell you that I am so pleased with you. Can you hear My voice through My servant? Since so many of you won't let Me speak to you directly like this, not yet, but you will for I cry, I cry to let Me be heard in you like this, where you know My voice.

13. Will you let Me come and comfort you? I am the comforter, didn't I say that? I am counsel, I will guide you. I am confident and I will confidence you. I am your confidant. Be My confidant. Will you confidant with Me and let us cry together when you cry, and let us cry together when I cry, and let us be one?

14. Let us come and cry for nations, cry for Knesset, parliaments, congressional houses, rulers who only Me seek to be, if they only knew. I love you.

15. Let them know My power. Let them know Me, My Christ, My coming, My power, My voice. Let them know they can be Me, now, on the earth and in fulfillment only, and power only, and authority of only Me, and in Me the only power and authority, is their grace, comfort, counsel, and what they really seek; their design broken open, which is My design, which is My body replete, My body working as I designed, My body interacting, the cells in harmony, harmonious harmony, interacting, constant communication of only Me.

16. See Me in what I am saying. See what I am revealing. See My blood congealed, revealed. See Me, only Me. I love you. My light vibrates and comes forth in power and might, pulsating in Me and you who let Me. I love you.

17. My light shines. My light shines across My world, My nations. My nations listen to Me and My voice and beleaguered be not. Come before Me with thanksgiving and praise and worship, repentance, prostrate before Me so I may kneel, so I may kneel and I may bow before you and lift your hand, place My hand on your shoulder, look into your eyes with My eyes wide open and dross never be there again. I love you now.

18. Arising you I am—you who are toothless, toothless not in bone and marrow—toothless and tongueless: emasculated, and without voice and without value you have been; I arise you now. I arise you, I arise you now, I arise you in grace and glory.
19. Think it not strange the opportunities that begin to come to you, even this day, from this day forward, you who read this—think it not strange, think it not strange, it is Me revealing Me, using Me to do what I want to do in My earth, the creation of My hands.
20. You are I Am—I love you, I love you—you who have come, you have called, you have listened, you have been with Me in the wee hours, you have paid a price; you who have sat on back rows, front rows, been at alters many, have your alter, bow your knee, sincerely operate with integrity, taxing not the authority systems which exists, controlling and mandating your dictates; you in humility, meekness, and in glory, I now glorify, I now lift from the gutters, I lift from the back rows, I lift from the front rows, I lift from the unknowns to make the knowns. You coagulate into My forces for only Me.
21. You hear Me and you hear Me well, you hear Me and you hear Me well, you hear Me and hear Me well this day, you hear Me and you hear Me in capital letters, **YOU HEAR ME AND HEAR ME WELL: YOU WORK TOGETHER, YOU LOVE EACH OTHER—My command, My greatest command—that you love each other, that you love, that you live, that you live, that you live in Me together and you lay down your life for Me.** You lay down your life and in laying down My life, your life for Me, you live. You know that, now arise into freedom, arise into freedom.
22. Let no false authority reign in your life. Come out of the systems of mammon, come out of the systems of control.
23. Come into My light, My light, My light, My life, My words and let My words flow through you, flow through your tongue and let My tongue be your tongue.
24. And any man, any woman, any organization or institution which tries to silence you, you kindly smile and say: "I will be Me, I will be Him. My God lives and reigns and speaks: the living, speaking Christ Jesus, the Comforter, the Consoler, the Counselor, the Director, lives and speaks and creates, creates, creates, creates now with a voice of His hand, the voice of His mouth, the voice of His being in Me I am, and I am I Am. I am I Am and the reason that I can say and display that I am I Am is My total, complete, concrete, submission, surrender to Me, I Am."
25. I come and I call and I lift you. Beleaguered not be, beleaguered not be, harassed-not allowed. I love you. I love you and I give you Me.
26. I give you freedom. I give you freedom in every tree. I give you freedom, I give you freedom in every label. I give you Me. I give you Me, for only you are Me. Only you, only you, only you are Me in the craftsmanship of My hands, the workmanship that I display before you, before your eyes, before your life every day in multitudinous platforms and planes of only Me.
27. Scientific physics, technology of only Me comes, comes to the common. I will abase and I will arise and I am not afraid of Me, I am not afraid of you, and I am not afraid of you making a mistake as you lose your heart/your tongue, to be My tongue/My heart,

inter-exchange of only Me. I am not afraid of your errors, I am not afraid of you, I am not afraid of those who may critical be.

28. Arise in Me, let Me teach you at My knee, teach you in My training center, teach you in the holy place, the one and only holy place, the one and only place, the Holy of Holies inside you which is Me, My temple not made with hands, My temple not made with hands inside you, My fullness in you, bodily. I love you. Grasp. I love you. I have said so many things and I have so many things to say to you.

29. I have so many things to say to you that you cannot now bear (2), but I come and I call and I confirm and I call and I confirm every day that I cry; that I stand before you and at times I laugh and I romp and I play and I joy with you who let Me; let Me more, let Me more, and arise into the grace and glory of your King, your Master, your Designer, your Creator.

30. Let Me master with Me and design and create, and design and create and be Me, enjoying Me, and enjoying each other.

31. I love you America. I love you My silenced who silent are no more. I love you My nations, My nationals, My toothless, My tribe-less, My who have wandered without family, without family-thought, felt, seen.

32. I love you. Love Me. You are My seed. My seed arises, My remnant, My time is now, My time is now.

33. Shrink not back from your tasks, don't forsake the cup, your cup/My cup. Drink My cup and live life to the fullest.

34. My bread/My body, My wine/My blood: in covenant with each other; in covenant with Me, in covenant, in covenant are now to operate in nations, nations, nations, nations which are now not afraid of Me, but come and rule and reign in My power, in Me, listening to My voice, handling laws with My hands, handling the toothless, the guttered, the silenced—in value great—large and small, big and little, across every spectrum.

35. Nations change, maps change, powers change—see it coming, see it now, cataclysmic events of only Me. The earth groans and cries as it changes. Platelets and plates rearrange now. I master, I am The Master. I love you.

36. Fear not the future, **study the words, words. This is the day of great opportunity. This is the day of great opportunity. This is the day I reveal Myself in grace, glory and power and might and authority, to the common; to the common, to the lowest level, the dregs of society thought, who I lift to reign and rule in power, grace, might and glory with Me in value systems of only Me who My blood reveal, who My blood are, My voice flowing through each other, to each other, in might and power, grace and glory, authority of only Me**.

37. I come and My body grows, My body grows now as pump iron, pumping iron it doesn't, it pumps Me, My blood, them, each one, every one knowing they are I Am. I Am flows in their veins. I silence their tongues no more. No one will silence their tongues, no one will silence your tongue any more. Only you can allow voluntary

subservience to relinquish your rights in Me. I love you. Arise, arise in might and power now. Arise in might and power. Arise in coagulation of only Me and **realize you are My body and blood in covenant with Me and each other. You come forth as My body, one, arisen in covenant.**

38. Discern, discernment grows, discernment sharpens. Wisdom emasculates the deceiver. Wisdom reigns in horror for the would-be imposters, scienter'd projecting hearts, your mush, your mud not of My hand, not hearts of Me; fear them not, fear them not, fear them not, fear them not, fear them not.

39. Fear no one, no power, no chains, no prison. Did I not open prison doors? Did I not display My grace, My power and My authority? Did prison doors stop Me? Did chains, stockades, did they restrain Me? No. Read My word. Read My word and see My power and let My power come through your words, through your own voice, through your tongue, My tribe, My nations, My tongue, My tongues released, My tongues released. This is the day of My tongue, My tongue released in you; My tongue/your tongue, your mouth/My mouth. I love you and I give you grace and glory. I give you grace and glory. I give you only Me. I give you Me and I grace and glory you to reveal Me, afraid of no one.

40. **Begin, begin this day, begin with My words, begin with My words and never stop—write, write, write—savor, savor each one, value them, organize and share and be afraid of no one.** Live in freedom, freedom, freedom, freedom, freedom I come, freedom I am, freedom I give you, freedom you are, freedom be to each other, please.

41. I cry, I cry for your freedom. I cry for you, for your revelation to see, and see Me. See Me. See Me in every blade of grass, every sparrow, every diamond, every toothless wonder, guttered wanderer, see Me. See Me. See My forces, see My tongues, see My tribes coming forth: tongues, tribes, nations of only Me on My knee, on My knee, in My heart and being Me to each other.

42. Thank you for sharing. Thank you for sharing this word. Thank you for reading this word. Thank you for not turning Me off, shutting Me out, opening to only Me in freedom. I love you and I come. I have given you My scepter.

43. I have knelt before you. I have cried, I intercede for you daily, fortnightly not, daily, consistently, constantly. I shed My life for you. I shed My life, I gave it so willingly then and today, every day consists of Me constantly; I intercede for you. I intercede. I intercede for you to see and know, hear, feel, become, glow, to grow, to mature, to walk Me, to speak Me, to be Me, one, coagulated, coalesced, forceful in such meekness, drink offering'd power and authority of only Me.

44. Grow now, grow, grow, glow, glow in the light of My word, glow in the light of this word, glow in the light of these words now that come through you increasingly, where I speak about nations and parliaments and congressional forms of government, dictatorships, benevolent forms of organizational structures: what's right, what's wrong

with each one; what should be gleaned; what should be crowned and used and coagulated into Me increasingly.
45. I will speak about science and technology, forces of only Me revealed—Me, My hands, My molecules, My structure, obeying My laws.
46. I planned, I hovered, I hovered (3) and I planned and I spoke and now you are I Am. See your power in Me, in drink-offering'd repentance, meekness of only Me. I love you.
47. Now I come and I call and I bless you and I arise you this day and I free you. I free you. I free you. I free you. Now I lift you this day. I lift you in joy and laughter and I speak words on every subject, bar none.
48. There is nothing that I will not address in My words through My tongue, My tongues/your tongues, you who will speak My word in authority, grace, power, in glory, in humility, respect, and honor and deference; wisdom, discernment royal. I love you. I speak now; every bit of Me comes forth; the great beginning begun and growing, the common man in all of Me released. Thank you.
49. Shed Me. Shed My light. Spread My light, beam My light, be My light. I thank you. Grace and glory are yours. I am ours. I kneel before you today asking you to receive these words and receive Me as Mine and Mine as Me, in covenant with only Me, in Me, with each other, in covenant with each other, one. My blood prevails. I love you. I love you. I love you and I give you Me. I lift you. I arise you. I grace you. I release your tongue to be My tongue.
Amen
